SIXTEENTH CONGRESS
First Regular Session

House Bill No. **2098**

Introduced by HON. LINABELLE RUTH R. VILLARICA
4TH DISTRICT, BULACAN

EXPLANATORY NOTE

Included in the Constitutional mandate of protection and promotion of the right of health for all citizens by the State is the responsibility of providing for equal opportunities to advance a strong and healthy population.

Presently, however, there are only 11 government hospitals in the Province of Bulacan with a population of over two million. Affordable and quality health services must be accessible by the ordinary citizen.

In the 4th Congressional District of Bulacan, only the Rogaciano M. Mercado Memorial Hospital is servicing the growing population of Meycauayan City, as well as the Municipalities of Obando and Sta. Maria. The Municipality of Marilao does not have a public hospital.

This proposed bill seeks to establish a public hospital in the Municipality of Marilao. In the 15th Congress, this was approved on 2nd Reading by the House of Representatives Plenary on 6 February 2013. Due to time constraints, however, no further action was taken on the bill.

This bill is refiled for the consideration of the present 16th Congress. Support for the approval thereof is earnestly requested.
