HOUSE BILL No. **2106**

Introduced by Honorable Victor F. Ortega

EXPLANATORY NOTE

This bill seeks to convert the Bacnotan-San Gabriel Road in the Municipalities of Bacnotan and San Gabriel, Province of La Union into a national road and appropriating funds for the improvement and maintenance thereof.

The beneficial impacts of roads on production and on poverty alleviation are well-recognized in all parts of the world. It is a fact that development hinges on the community's access to basic needs. Similarly, lack of access to good road networks impacts the incomes and welfare of the people. A high quality road increases the population's mobility and improves their ability to earn. The government's continued efforts to strengthen the economy should include prioritizing the rehabilitation of our roads, for the community to better respond to the demands of a more fast-paced and dynamic way of life.

Although a provincial road already exists connecting the Municipalities of Bacnotan and San Gabriel, the local government lacks the budget to put its maintenance as a priority. Converting the Bacnotan-San Gabriel Road to a national road will definitely facilitate agricultural and rural development in the area. The road's annual funding from the national government will ensure its rehabilitation and maintenance.

In view of the foregoing, approval of this bill is earnestly sought.
