HOUSE BILL No. **2159**

Introduced by Honorable Victor F. Ortega

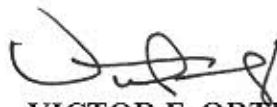

EXPLANATORY NOTE

This bill seeks to convert the San Vicente-Canaoay-Catbangan-Ilocanos Sur-Ilocanos Norte road in San Fernando City, La Union into a national road.

San Fernando City, La Union is now the seat of national government agencies in Region I and the center of trade, commerce, financial and educational institutions. The conversion of the San Vicente-Canaoay-Catbangan-Ilocanos Sur-Ilocanos Norte road into a national road will greatly stimulate and promote economic development of the various barangays traversed by the road network since this is an alternate road to the present Regional Airport which will soon be upgraded to an international airport.

The conversion will likewise increase the existing length of the national roads being maintained, hence, a corresponding increase in fund allocation and upgrading of the District Engineering Office (DEO) into a first class category. This will also contribute to the improvement of socio-economic endeavors of the respective barangays and will be more responsive to the needs of the people and other neighboring towns. New investment will be encouraged thus promoting economic growth and progress in San Fernando City.

In view of the foregoing consideration, approval of this bill is earnestly requested.
