SIXTEENTH CONGRESS

First Regular Session

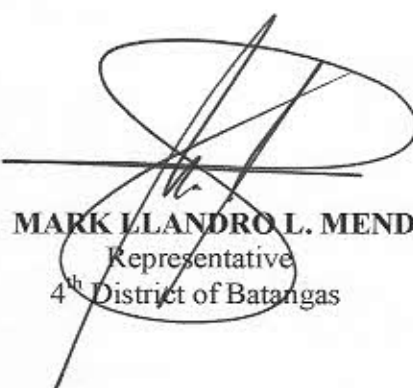

HOUSE BILL NO. **2182**

Introduced by Honorable Mark Llandro L. Mendoza

This bill seeks to convert the Lipa – San Jose Provincial Road, traversing the Manila-Batangas Road, Lipa City Poblacion Junction passing Lodlod – Aya to San Jose Poblacion Junction, into a National Road. The said road has a total length of 11.50 kilometers.

Roads are indispensable arteries in people's travel as well as in the transport and exchange of goods for commerce and trade. They are indisputably important especially to the populace of the towns they traverse. These roads bring about more intensified commercial transactions among different parties in the economy, and therefore play a key role in the growth of national economy.

Given the bill's very apparent local and national significance, approval thereof is urgently and strongly urged.
