HOUSE BILL NO. 2245

Introduced by HON. FLORENCIO C. GARAY

EXPLANATORY NOTE

This bill seeks the conversion of the Tabon-Labisma-Lawigan Provincial Road of the City of Bislig, Province of Surigao del Sur into a national road.

Bislig is a city which holds so much promise. It is a main producer of agricultural products and aquatic resources, as well as home to several industries. Infrastructure developments are therefore vital to the progress of Bislig. If Bislig's agriculture, trade and industry, commerce, tourism and education are to flourish, it should have ready access to the world, and vice versa.

The Tabon-Labisma-Lawigan Provincial Road is a 17 kilometer stretch linking Bislig City with the rest of the nation. Conversion of this road into a national road, and making provisions for its periodic repair and maintenance, will greatly benefit the people of Bislig and the general public.

Considering its national and local importance, the approval of this bill is earnestly sought.
