HOUSE BILL NO 2304

Introduced by Representative JOSE CARLOS L. CARI

EXPLANATORY NOTE

The 1987 Constitution provides that the State shall protect and promote the rights of all citizens to quality education at all levels and shall take necessary and appropriate steps to make education accessible to all. The Constitution likewise mandates the State to establish and maintain a system of free education in the elementary and high school levels.

This bill proposes to formally establish a National High School in Barangay Manlilisid, Municipality of Javier, Province of Leyte to be known as Manlilisid National High School. There is an evident need for the formal establishment of the requested high school in this part of the municipality. For the longest time, students have to go to Javier National High School which is nine (9) km away via the Javier Circumferential Road. The establishment of Manlilisid National High School will greatly benefit the students of Barangay Manlilisid including seven (7) nearby localities namely, Barangays San Sotero, Comatin, Caraye, Oding, Cancayang, Abuyogay and Caranhug.

This proposed measure aims to do justice to the youth of this Barangay and its neighboring communities by providing them the opportunity to liberate themselves from illiteracy and eventual upgrade their social and economic status without compromising their safety and well-being.

In view of the foregoing, approval of this worthy measure is earnestly sought.
