HOUSE BILL NO.

Introduced by Representative BENHUR L. SALIMBANGON

EXPLANATORY NOTE

This bill, which seeks the separation of Daantabogon National High School from Doña Liling Neis Negapatan Memorial National High School is a re-filed bill. This was first filed in the 15th Congress during its 3rd Regular Session and was referred to the Committee on Basic Education and Culture.

Daantabogon National High School is only an extension of Doña Liling Neis Negapatan Memorial National High School. As an extension, Daantabogon NHS is very much dependent on Doña Liling Neis Negapatan Memorial NHS in terms of administrative resources and support.

In order to achieve quality education, the school must have its own set of administrative and supervisory support staff. The teachers must be motivated and there should be available room for growth and improvement for them. Regular source of funds every school year must be adequate and sufficient to meet the school's growing needs. This can only be realized if Daantabogon National High School will be converted into an independent national high school.

Hence, the approval of this bill is earnestly recommended.
