HOUSE BILL NO. 2395

Introduced by Hon. Nelson "Sonny" P. Collantes

EXPLANATORY NOTE

This bill seeks to include Punong Barangays in the coverage of Government Service Insurance System (GSIS) and Philippine Health Insurance Corporation (PHILHEALTH).

The Punong Barangay is the first line of access to the delivery of government services to our people. They play a vital role in identifying the needs of people, finding solutions to those needs and keeping the peace. More often than not, the Punong Barangay performs these functions and forgets his own personal needs.

With the approval of this bill, the Punong Barangay will be able to perform his functions without worrying about possible hospitalization expenses for him or his family or benefits due him after serving as Punong Barangay.

In view of the foregoing, approval of this bill is earnestly sought.
