HOUSE BILL NO. **2590**

EXPLANATORY NOTE

Among the usual requirements in applying for a job is an NBI Clearance. This clearance certifies that the applicant has no standing warrants of arrest or has no pending criminal complaint filed against said applicant. It is also one of the requirements in various applications for licenses such as in possession and/or carrying a firearm.

By reason of the necessity of this clearance, it is apparent that the convenience of the residents of the 2nd District of Paranaque City should be taken into consideration. Hence, this bill is seeking for the establishment of NBI District Office in the 2nd District of Paranaque City to conveniently serve the constituents. Further, the realization of this measure will surely lessen the time consumed in getting an NBI clearance thereby avoiding the disruption in the daily activities of the constituents.

Thus, the passage of this bill is earnestly sought.
