HOUSE BILL NO. 2640

Introduced by
Honorable Elenita Milagros "Eileen" Ermita-Buhain

EXPLANATORY NOTE

This Bill seeks to convert the Poblacion-Bagong Silang Provincial Road in the Municipality of Calatagan, Province of Batangas into a National Road.

The Municipality of Calatagan is one of the eight (8) towns of the First District of Batangas, which is endowed with beautiful tourist spots that if fully developed, could be potential tourist draws. It has a long coastline, which are dotted with resorts that cater to foreign and domestic tourists alike. These beaches and coves are comparable to some of the best tourist destinations in the country, if not in the Asian region. And because the Philippine Government has identified tourism as a major source of foreign revenues, efforts must be geared towards the realization of this objective. One of these is the development of support infrastructures like good roads that will facilitate better transport for tourists.

The Poblacion-Bagong Silang Provincial Road is one of these vital road networks. Along this road network are located five (5) of the best resorts in the Municipality of Calatagan. Developers are further eyeing to put up resorts along this stretch which would further boast the attractiveness of the area. Given these developments, it is then necessary that the road leading to these resorts be properly maintained considering its present and potential contribution to the national economy.

This Bill then proposes the conversion of the Poblacion-Bagong Silang Provincial Road in the Municipality of Calatagan into a National Road.

Premises considered, approval of this bill is earnestly sought.
