House Bill No. 2716

Introduced by **Honorable ERLPE JOHN "PING" M. AMANTE**

EXPLANATORY NOTE

This Bill seeks to convert the existing Land Transportation Office (LTO) Extension Office in City of Cabadbaran, Agusan del Norte into a regular LTO District Office.

To provide efficient licensing of operators and drivers in our district in the most convenient way, there is a pressing need for a regular LTO Office in the City of Cabadbaran, Agusan del Norte which will guarantee effective delivery of services expected to the agency. At present, in as much as our extension office wants to provide accessible frontline services in a more efficient manner, the same cannot be done because of the limited personnel, equipment and funding allocation considering the voluminous applications accommodated by them.

With the establishment of the regular LTO Office, sufficient number of permanent personnel, equipment and funding allocation will be provided that will ensure the realization of the purposes of this Bill.

In view of the foregoing, the approval of this Bill is earnestly sought.
