

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 2754

Introduced by **Rep. Winston "Winnie" Castelo**

EXPLANATORY NOTE

There ought to be a venue or vehicle where scientific and technological advances can be learned as well as availed of.

Such is consistent with Section 10 of Article XIV of the Constitution which in effect gives priority to research and development, science and technology education and the like.

Every Filipino equipped with the basic knowledge in advanced technologies or of modern sciences becomes at part with the rest of the world. It is so because science and technology have become prime movers in developing economies across the globe.

It is in this light that the measure seeks to establish a Science and Technology Center in Quezon City as a window of opportunity for constituents to acquire knowledge, training, and expertise in the field of science and technology as a way to promote scientific, social and economic development.

The immediate passage of this piece of legislation is earnestly prayed for.

REP. WINSTON "WINNIE" L. CASTELO
2nd District, Quezon City

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 2754

Introduced by *Rep. Winston "Winnie" Castelo*

AN ACT
ESTABLISHING A SCIENCE AND TECHNOLOGY TRAINING CENTER IN
QUEZON CITY AND APPROPRIATING FUNDS THEREFOR

Be it enacted by Senate and the House of Representatives of the Philippines in Congress assembled:

SECTION 1. There shall be established, under the supervision of the Commission on Information and Communications Technology, a science and technology center in Quezon City to be known as the Quezon City and Technology Training Center.

SEC. 2. The Commission on Information and Communications Technology shall issue the necessary rules and regulations as may be necessary to implement this Act.

SEC. 3. The amount necessary for the effective implementation of this Act shall be charged against the appropriations for the Department of Science and Technology under the current General Appropriations Act. Thereafter, such amount as may be necessary for the continued operation and maintenance of the Quezon City Science and Technology Training Center shall be included in the annual General Appropriations Act.

SEC. 4. This Act shall take effect fifteen (15) days after its publication in at least two (2) national newspapers.

Approved,
