SIXTEENTH (16TH) CONGRESS
First Regular Session

House Bill No. 2814

Introduced by **Hon. Joseph Gilbert F. Violago**

EXPLANATORY NOTE

With an ever increasing demand for the frontline services of the Department of Transportation and Communications (DOTC) in Nueva Ecija, particularly the issuance and renewal of drivers' licenses and registration of motor vehicles, as well as the services of the Land Transportation Franchising and Regulatory Board (LTFRB), which is unmistakably brought about by an ever burgeoning population, increasing productivity in the province and with the growing popularity of San Jose City as one of the swiftly expanding commercial and urban hubs of Nueva Ecija, it is of paramount importance that the State must be ever ready and responsive in providing and delivering the needed governmental services for our people.

Establishing one-shop center in San Jose City for such needs, as has been shown in strategic areas of the country, will not only improve the quality of services on the part of government, but will also ensure greater accessibility and ease for our citizens to these vital services.

For these reasons, approval of this bill is earnestly sought.

HON. JOSEPH F. VIOLAGO

2ND District, Nueva Ecija
