HOUSE BILL NO. **2947**

Introduced by Honorable Erico Aristotle C. Aumentado

EXPLANATORY NOTE

This bill seeks to establish the Bagacay State College of Technology in Barangay Bagacay, Municipality of Talibon, Province of Bohol and appropriating funds therefor.

Section 1, Article XIV of the Constitution states that "*The State shall protect and promote the rights of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.*"

In response to the clamor of the residents of the municipalities of Talibon, Getafe, Bien Unido, Buenavista, Danao, San Miguel and Trinidad to establish a state college that will offer tertiary education with very affordable tuition fees, the Office of the Sangguniang Barangay of Bagacay passed Resolution No. 0265-2013 allocating a lot for the establishment of a state college. Barangay Bagacay is a coastal barangay in the municipality of Talibon. It is situated 11 kilometers from the town proper of the municipalities of Getafe and Talibon. There are two existing private colleges located in the municipality of Talibon and two colleges run by the local government unit.

The proposed Bagacay State College of Technology will not compete with the existing public and private schools but will cater to the neighboring municipalities with their corresponding high schools that will serve as the feeder schools under the K to 12 program of the Department of Education. Graduates from neighboring barangays and municipalities will be given the opportunity to pursue a college degree. Parents can now afford to send their children to college because of the low tuition fees and accessibility of the school to their homes.

In view of the foregoing, approval of this bill is highly recommended.
