HOUSE BILL No. **2996**

Introduced by Representative **AURORA ENERIO - CERILLES**

EXPLANATORY NOTE

This bill seeks to convert the 29.199 kilometers provincial road from the town of Tigbao, passing through the town of Guipos, to the town of Dinas, Zamboanga del Sur into a National Secondary Road.

The road connects 3 central towns of Zamboanga del Sur. It will facilitate the transport of the aqua and agricultural products of these municipalities, thereby giving the opportunity for economic growth and development. It may also be pertinent to state that the National Road does not pass through these municipalities of Zamboanga del Sur.

Aside from positive economic reasons, it will also help in the attainment of genuine peace and order in the province, thereby contributing in national security.

I therefore seek the immediate passage of this bill in order to attain economic growth and improved peace and order situation in the 2nd District of Zamboanga del Sur.
