HOUSE BILL No. 2997

Introduced by Representative AURORA ENERIO - CERILLES

EXPLANATORY NOTE

This bill seeks to convert the 40.922 kilometer provincial road from the town of Kumalarang, passing through the municipalities of Lapuyan, San Miguel down to Dimataling of Zamboanga del Sur into a National Secondary Road.

The road will serve as arterial road to the southern municipalities that are mostly coastal towns. It will facilitate the transport of the aqua and agricultural products of these municipalities, thereby giving the opportunity for economic growth and development. It may also be pertinent to state that the National Road do not pass through and remote from the southern towns of Zamboanga del Sur.

Aside from positive economic reasons, it will also help in the attainment of genuine peace and order in the province, thereby contributing in national security.

I therefore seek the immediate passage of this bill in order to attain economic growth and improved peace and order situation in the 2nd District of Zamboanga del Sur.
