AN ACT
STRENGTHENING THE ROLE OF PARENTS ASSOCIATIONS AND CREATING FOR
THE PURPOSE THE NATIONAL PARENT COUNCIL

EXPLANATORY NOTE

It is expressly stated in the 1987 Constitution that the Government is mandated to support the natural and primary right and duty of parents in rearing the youth for civic efficiency and upright moral character. By strengthening parents associations, which this bill is proposing to do, it is a step towards the right direction by fostering parents' active participation in our educational system.

There is a need for a strategic collaboration between parents, teachers, school management, the community and the students if we want them to have the best possible education. With strengthened parents associations, the well-being of our children, who will carry on the task of nation building, will be secured.

In recognition of parents associations' vital role in the development of our youth, we therefore enjoin our colleagues to ensure the expeditious passage of this bill into law.
