HOUSE BILL NO. 3067

Introduced by: Hon. Angelina "Helen" D.L. Tan, M.D.

EXPLANATORY NOTE

This bill seeks to establish a multi-purpose fish breeding farm and hatchery in the Municipality of Alabat, Province of Quezon. Alabat is an island municipality along with the municipalities of Quezon and Perez. The people of these coastal towns rely upon fishing as their main source of food and livelihood.

Recently, it was reported that a hatchery in Unisan town has put Quezon Province on the map of the country's aquaculture industry. Dr. Wesley Rosario, chief of the Bureau of Fisheries and Aquatic Resources-National Integrated Fisheries Technology Development Center was quoted as saying that the Unisan fish hatchery will catalyze the development of aquaculture in Quezon, which supplies almost half of the demand in markets nationwide (Philippine Daily Inquirer, Hatchery putting Quezon on map of aquaculture, (09/19/2013).

This proposal aims to duplicate said initiative that is now gaining ground in the Province of Quezon. The establishment of a multi-purpose fish breeding farm and hatchery in the island municipality of Alabat presents a viable solution to the problem of livelihood and poverty.

The rearing of fry and fingerlings and their dispersal in communal bodies of water in Quezon will replenish our supply and help keep pace with the increasing demand for fish and other marine resources.

In view thereof, approval of this bill is earnestly sought.

AN ACT

ESTABLISHING A MULTI-PURPOSE FISHERY BREEDING FARM AND HATCHERY IN THE MUNICIPALITY OF ALABAT, IN QUEZON PROVINCE AND APPROPRIATING FUNDS THEREFOR

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. There shall be established, under the supervision of the Bureau of Fisheries and Aquatic Resources of the Department of Agriculture, a multi-purpose fishery breeding farm and hatchery in the Municipality of Alabat, Province of Quezon.

SEC. 2. The Bureau of Fisheries and Aquatic Resources of the Department of Agriculture shall conduct continuing research and experimentation, especially as they apply to local conditions, to discover new methods and technology that will rejuvenate the fishing industry.

SEC. 3. The Department of Agriculture and its related agencies shall promulgate the necessary rules and regulations to implement this Act.

SEC. 4. The Secretary of Agriculture shall include in the Department's program the establishment and operationalization of the multi-purpose fishery breeding farm and hatchery in the Municipality of Alabat, Province of Quezon, the funding of which shall be included in the annual General Appropriations Act.

SEC. 5. This Act shall take effect fifteen (15) days after its publication in two (2) newspapers of general circulation.

Approved,
