Sixteenth Congress
First Regular Session

HOUSE BILL NO. 3120

Introduced by the Honorable Maryam N. Arbison

EXPLANATORY NOTE

The Province of Sulu, the 2nd District in particular, has been identified as one of the most economically depressed provinces in the country. This makes all the eleven (11) municipalities in the district dependent on the financial assistance, through the yearly internal allotment, coming from the National Government.

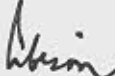

Notwithstanding the vast opportunities for developing the province, specially in the area of agriculture and fisheries which can propel the economy and free the communities from the grip of poverty, the lack of financial resources has persisted in blocking efforts towards self-sufficiency and end development.

The condition of the herein-named road has worsened because of lack of maintenance by the Provincial Government of Sulu for the period of about 30 years to-date, owing to its lack of funds.

The road proposed for conversion is connected to an existing national road in Mainland Jolo.

This bill seeks the conversion of the 16.50 Kilometers Lahing Lahing-Camp Andres Provincial Road, from Municipality of Luuk, stretching from Barangay Lahing-Lahing Municipality of Omar to Camp Andres, Municipality of Luuk, INTO National Road, thereby giving the residents, farmers, fishermen and commuters not only adequate but improved, better and safer access to other municipalities in Mainland Jolo, especially the Capital town of Sulu, and rendering smooth travel within their respective municipalities.

Approval of this bill is earnestly sought.
