HOUSE BILL NO. 3271

Introduced by HONORABLE ANSARUDDIN A.M.A. ADIONG

EXPLANATORY NOTE

This bill seeks to establish a National Bureau of Investigation (NBI) Satellite Office in the City of Marawi, Province of Lanao del Sur.

The province is part of the Autonomous Region of Muslim Mindanao and has a land area of 13,494.37 square meters with a total population of 1,138,544. It is composed of 39 municipalities and one city, Marawi City. Its adult population is almost half of the total population.

For employment purposes and other mandatory government requirements, the adult residents of Lanao del Sur still need to go to Cagayan de Oro City and Iligan City, which are part of Region X, to request for the issuance of a new NBI clearance, or the renewal of their old clearance. Most of the residents have to travel several hours to go to Cagayan de Oro or Iligan City and they have to spend so much amount of money for their transportation and food allowance.

Hence, the establishment of a NBI Satellite Office in Marawi City will certainly serve our Muslim brothers in Lanao del Sur and its neighboring provinces. The passage of this bill is earnestly sought for.
