HOUSE BILL NO. 3394

Introduced By Honorable Isidro S. Rodriguez, Jr.

EXPLANATORY NOTE

This bill seeks to transfer the management and maintenance of the 18.5 kilometers Jalajala Friendship Highway which connects the Municipality of Jalajala, Province of Rizal, with the Municipalities of Mabitac and Sinoloan, Province of Laguna, to the Department of Public Works and Highways (DPWH).

This road was constructed in 1993 under the Japan International Cooperation Assistance (JICA) Program, and the Municipality of Jalajala since then underwrites and defrays the cost of maintenance and rehabilitation of the said highway.

With the construction of this highway, the economic growth and development of the 3 municipalities were enhanced and fast tracked.

Given the fact that Jalajala is a Fifth (5th) Class Municipality, and hence, the burden of managing and maintaining this highway is too much for the Municipality to bear.

In view of the foregoing, transfer of the management and rehabilitation of aforesaid highway to the DPWH is earnestly sought.

The approval of this bill is urgently recommended.
