

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

Sixteenth Congress
First Regular Session

HOUSE BILL NO. 3430

Introduced by **Hon. Frederick F. Abueg**

EXPLANATORY NOTE

The proposed bill seeks to upgrade the Narra Municipal Hospital in the Municipality of Narra, Province of Palawan, from ten (10) bed capacity to one hundred (100) bed capacity, to be known as the Governor Alfredo M. Abueg, Sr. Memorial Hospital, and appropriating funds therefor.

The Narra Municipal Hospital was established under Republic Act 6917 in 1990 with a ten-bed capacity to provide medical services to the people of Narra and its neighboring municipalities. Narra is the second largest municipality in terms of land area and population in the province. It has a population of 65,264 people as of the 2010 census. Narra is also the center for agricultural trade in Southern Palawan. The municipality continuously attracts migrant families from more depressed areas of the country to settle therein.

The current ten-bed municipal hospital in Narra is usually filled with confined patients catered by extremely limited equipment facilities and medical services. There are no provisions/facilities for serious medical condition, so the only recourse for patients is to travel for two hours to Puerto Princesa City where better hospital facilities are available.

Given the town's continued progress and increase in population, it needs critical improvement in its hospital services and health facilities. The proposed upgrade of the Narra Municipal Hospital into a Tertiary Hospital with a 100-bed capacity will significantly improve medical services to ensure public health and save lives in case of life-threatening diseases.

As a tribute to the former Governor of Palawan, the late Hon. Alfredo M. Abueg, Sr., who is deeply remembered as a sincere and dedicated public servant, as well as the father of land settlement which later became the Municipality of Narra, it is likewise proposed that the hospital be named in his honor.

In view of the foregoing, the immediate approval of this bill is earnestly requested.
