HOUSE BILL NO. 3445

INTRODUCED BY REP. MAXIMO B. DALOG

EXPLANATORY NOTE

The proposed House Bill seeks to declare Barangay Pudo in the municipality of Natonin, Mountain Province as a government entity created by law.

Barangay Pudo is inhabited mainly by Indigenous Peoples particularly the Balangao Tribe. It was originally created by virtue of Provincial Ordinance No. 1 Series of 1991 dated March 12, 1991 and ratified by the residents thereof on December 2, 1994 separating it from its Mother Barangay, Barangay Alunogan of the same municipality. Thus, as decreed by Section 285 of the Local Government Code of 1991 (RA 7610), the Provincial Government of Mountain Province and the Municipal Government of Natonin contribute for the Internal Revenue Allotment (IRA) of Barangay Pudo.

The meagre amount from the Local Government Units concerned could hardly sustain the operations of the barangay government. It is noteworthy, however, that in order to afford Indigenous Cultural Communities a chance to develop and enhance the delivery of basic services, the law gives them a special treatment by giving them an exception as to the requirement of population.

In view of the foregoing, the creation of Barangay Pudo pursuant to an enacted law will definitely provide easy access to the services of the government in the barangay level and contribute to the overall development of not only the residents and the area concerned but also the province as a whole.
