HOUSE BILL NO. 3535

Introduced by Honorable Damian G. Mercado

EXPLANATORY NOTE

The Municipality of Pintuyan, Southern Leyte has no institution that caters to tertiary education. What it has right now is a national vocational high school. It has been a dream of Pintuyan residents that their town will be able to have a school for college students someday.

By integrating the existing national vocational high school into the Southern Leyte State University (SLSU) System, it will be easier later on for SLSU to come up with a college degree program that will cater to the needs of Pintuyan residents through the SLSU-Pintuyan campus once this proposal will be passed into law.

In view of the foregoing, passage of this bill is hereby being earnestly sought.
