SIXTEENTH CONGRESS

First Regular Session

HOUSE BILL NO. 3583

Introduced by **REP. MARLYN L. PRIMICIAS-AGABAS**

EXPLANATORY NOTE

The 4.2 kilometer Tayug-San Quintin Provincial Road was paved to link the municipalities of Tayug and San Quintin in the Province of Pangasinan. The road contributes to the commercial and civic growth of the district and of the province because it connects two national roads. This important thoroughfare starts from its junction at the Pangasinan-Nueva Vizcaya National Road (Tayug Section) and ends up at the San Nicolas-Natividad-San Quintin-Umingan National Road (San Quintin Section).

The road connects the Municipality of Tayug, an emerging suburb in Pangasinan in terms of agricultural industry, to the Municipality of San Quintin, an agricultural community producing mainly vegetables, corn, and rice. The conversion to national road will promote the exchange of agricultural goods and industrial services between the two towns by providing motorists a trouble-free and highly-developed thoroughfare.

Aside from an economic basis, the conversion of Tayug-San Quintin Provincial Road into a national road will improve the access to some social service needs as the road leads to hospitals, churches, market and commercial establishments, and learning institutions in both towns.

The provincial government of Pangasinan has limited resources to completely expand and maintain the said road. The conversion will render savings for the province, as the maintenance cost will be allocated to other projects that are in need of attention and will be beneficial to the province.

Hence, the immediate passage of this bill is earnestly sought.
