HOUSE BILL NO. 3763

Introduced by: Rep. Mercedes K. Alvarez

EXPLANATORY NOTE

This bill seeks to provide additional benefits to Barangay officials by providing them means through pension after their service in the Barangay. The bill mandates the provision of a lump sum retirement pay equivalent to one year honorarium to all barangay officials, including barangay tanods, members of the Lupon ng Tagapamayapa, barangay health workers and barangay day care or social workers. This benefit will be taken from the barangay retirement fund and will be given to a retiree, at least sixty years of age, with a minimum of nine years of service at the time of the retirement.

The officials and employees of the barangays are the frontliners in public service. Up to this day, the members of the barangay only receive honorariums or allowances despite the fact that they are the first representatives of the government approached by their constituents for basic services and needs. They are also the first responders to any situation in their respective barangays. This will serve as recognition to their vital contribution to the realm of public service.

The immediate passage of this bill is strongly urged.
