HOUSE BILL NO. 3764

Introduced By: **HON. TEDDY BRAWNER BAGUILAT**

EXPLANATORY NOTE

This bill seeks the creation of a new barangay in the Municipality of Banaue, Province of Ifugao comprising the sitios of Inacbucan, Matanglag, Talboc, Itanungon, Chigchig, Upper Ibayong and lower Ibayong from the mother barangay of Bocos and sitios Liwang and Pinugo from the mother barangay of Poitan, All in the abovestated Municipality, be constituted into a separate and distinct barangay to be known as Barangay Ibayong.

The Municipality of Banaue, home of the famous Banaue Rice Terraces is occupying vast mountainous areas making the administration over them extremely difficult. Some sitios such as those mentioned above are located far from the barangay proper so that they are often denied the delivery of basic goods and services due to them.

The community in these sitios sought to be created as regular and independent barangay strongly believe that their general welfare would greatly improved if they have their own barangay officials who can effectively address their needs and common problems. The geographical areas covered by this measure are contiguous and its inhabitants are members of the indigenous cultural communities which has a common customs, traditions and way of life.

This initiative therefore meets the provision of the Local Government Code of 1991 particularly Article 14, Par. C of its Implementing Rules and Regulations which states that "Notwithstanding the population requirement, a barangay may be created in Indigenous Cultural Communities by an Act of Congress upon the recommendation of the Local Government Units where the cultural community is located to enhance the delivery of basic services in the areas.

Furthermore, the creation of a new Barangay is also recognized in Section 8 of the Internal Rules and Regulation of the Indigenous Peoples Rights Act of 1997 (IPRA) as a separate Ethno-Linguistic Group.

Given this reason it is most respectfully urged that this bill be approved with utmost urgency and significance.
