HOUSE BILL NO. **3814**

Introduced by Honorable Estrellita "Ging" B. Suansing

EXPLANATORY NOTE

This bill seeks to convert the Guimba-Pura road connecting the Provinces of Nueva Ecija and Tarlac into a national road.

The 11.44 kilometers stretch of road starts from Barangay San Rafael, Municipality of Guimba, in the Province of Nueva Ecija to the town proper of the Municipality of Pura, in the Province of Tarlac.

The conversion of the aforementioned road from a provincial road into a national road will greatly contribute to the fast economic growth and development not only of the abovementioned municipalities but neighboring towns as well. Economically depressed barangays, whose residents are predominantly farmers will have better access to motor transport. Viability of trade and commerce will be greatly enhanced. Vital government programs and services on education, health, agriculture, energy, tourism, and infrastructure can be delivered and administered at a faster rate, thus alleviating the plight of residents in the area, who have been living below the poverty line for years.

Since the Provinces of Nueva Ecija and Tarlac cannot fully achieve the necessary maintenance and improvement of the Guimba-Pura Road, the need to nationalize said road is of importance to improve the socio-economic status of the people in the province. It shall likewise open up more opportunities in trade and industry in the area.

In view of the foregoing, approval of this bill is earnestly sought. .
