HOUSE BILL NO. 3846

Introduced by HON. JOSEPHINE Y. RAMIREZ SATO

EXPLANATORY NOTE

This bill seeks to convert Mamburao-Paluan Road from Provincial Road to National Road in the Province of Occidental Mindoro.

The Mamburao Paluan Road with a thirty two (32) kilometer stretch of roadway connecting the two Municipalities of Mamburao and Paluan primarily serves as vital role in linking people and places, and promoting commerce and trade. The road is also the main channel for transporting agricultural and commercial goods of the adjoining municipalities in the province.

At present, the aforementioned road is in dire need of vital improvements, repair and maintenance. Unfortunately, the local government does not have necessary funds for such. Converting the road into a national road is seen as a viable solution to ensure necessary funds for its maintenance and future expansion so as to promote the socio-economic development in the area.

In view of the foregoing, approval of this bill is earnestly sought.
