HOUSE BILL NO. 3909

Introduced by Honorable Elenita Milagros "Eileen" Ermita-Buhain

EXPLANATORY NOTE

This bill seeks to create the TESDA Skills and Training and Accreditation Center in the Municipality of Balayan, Province of Batangas to be known as the Balayan TESDA Training Center.

The Municipality of Balayan is situated in the central part of Western Batangas. Because of its strategic location, it can serve as a hub for education, training and manpower development needs of the eight (8) towns comprising the First District of Batangas. Its proximity to the fast-growing agro-industrial towns of Calaca, Lemery and Nasugbu would be ideal for youths in these towns to access quality and industry-specific skills and competencies through the establishment of a TESDA Skills and Training and Accreditation Center. Given also the proximity of industries within which trainees can undergo vocational and technical apprenticeship and on-the-job training, the establishment of this vital center will boost the development efforts of the First District of Batangas.

In view of the foregoing premises, approval of this measure is earnestly sought.
