HOUSE BILL NO. 3946

INTRODUCED BY REPRESENTATIVE JOSE "PINGPING" I. TEJADA

EXPLANATORY NOTE

This BILL seeks to establish a National Bureau of Investigation (NBI) District Office in the Province of North Cotabato.

The Province of North Cotabato lies on the eastern part of Region XII and is strategically located in the central part of Mindanao. The Province is composed of seventeen (17) Municipalities and one (1) component city and is home to 1,228,282 residents. In order to cater the need of a growing population, the congruity of subsidiary authority of national executive offices in the local level is most desired. Accessible government service through subsidiary authority is a principled tendency to recognize the role of participatory processes and contributory growth of the province to the State, and to increase accountability to the locality.

One of the many important government services that are often sought in the province is that of the NBI as determined by demographics, whether for the issuance of clearances as requirement for employment opportunities or seeking assistance for the determination/investigation of matters within its mandate. At present the Bureau only maintains two (2) offices in Region XII – the Central Mindanao Regional Office in Koronadal City and the Sarangani District Office in Alabel, Sarangani Province – thus depriving the people of North Cotabato of its efficient and responsive service. And where government service is not efficient and responsive, subsidiarity contemplates an effective intervention to solve local concerns.

In consideration of this, the establishment of an NBI District Office in North Cotabato is imperative.

Hence the passage of this bill is earnestly sought.
