SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 4077

Introduced by **HON. ELMER E. PANOTES**

EXPLANATORY NOTE

This bill seeks to convert the Camarines Norte provincial road which starts at the junction of Daang Maharlika Kilometer 337+000 in the Municipality of Talisay to the junction of Daang Maharlika Kilometer 327+800 encompassing the Municipality of Vinzons and the Municipality of Labo, into a national secondary road.

The conversion will guarantee safe and road worthiness that will actuate an increase in economic activity and generate livelihood in the traversed municipalities considering that it will serve as bypass road that will shorten the distance and travel time from the Municipality of Daet, capital town of Camarines Norte, to Metro Manila.

The existing road is in much needed repair because the provincial government cannot provide the necessary funds for its maintenance.

This bill was first filed in the 15th Congress, was approved in both houses but eventually vetoed by the President due to technicalities. So, after thorough review and technical modifications, this bill is being re-filed for the same worthy purpose it will serve to the 2nd District of Camarines Norte.

In view of the foregoing, the immediate approval of this bill is earnestly sought.
