SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 4132

Introduced by **HONORABLE LANI MERCADO-REVILLA**

EXPLANATORY NOTE

The Constitution, Article II, Section 17 states:

“SECTION 17. The State shall give priority to education, science and technology, arts, culture, and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development.”

Further, Article 14, Section 1 mandates:

“Sec. 1. The State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.”

Moreover, the same Article, Section 2, paragraphs (1) and (2) provides:

“Sec. 2. The State shall:

(1) Establish, maintain, and support a complete, adequate, and integrated system of education relevant to the needs of the people and society;

(2) Establish and maintain a system of free public education in the elementary and high school levels. x x x”

It is the obligation of the State to provide a complete, adequate and integrated quality education to the youth because of their vital role in nation-building. However, in the article of Secretary General Romulo A. Virola of the National Statistical Coordination Board entitled, *Statistics on Philippine Education: Good News and Bad News*, Dr. Virola reported that the Philippines only spends 3.3% of its Gross Domestic Product on public educational institutions for all levels of education, which is lower than 7.4% for Malaysia, 4.0% for Thailand and all WEI countries and 5.2% average for OECD countries.

In the City of Bacoar, the teacher-student ratio is now 1:70 – far from the goal of the Department of Education to limit the ratio to 1:50. Bacoar has a population of 520,216 (NSCB, 2010). In the Zapote area, which has a total population of 32,809 (NSCB, 2010), there is no high school catering to five Barangays; viz.: Zapote 1, Zapote 2, Zapote 3, Zapote and Zapote 5. With the establishment of the General Edilberto Evangelista National High School, the needs of high school students and graduating elementary students in the Zapote area as well as the nearby areas of Barangays Aniban 1, Aniban 2, Aniban 3, Aniban 4, and Aniban 5, and Barangays Talaba 1, Talaba 2, Talaba 3, Talaba 4, Talaba 5, Talaba 6, and Talaba 7 will be met. Hence, the urgency of the passage of this bill.
