

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
QUEZON CITY

16TH CONGRESS

1ST REGULAR SESSION

HOUSE BILL NO. **4205**

Introduced by **Honorable ISAGANI S. AMATONG**

EXPLANATORY NOTE

No less than the Constitution itself provides that “the State shall protect the rights of subsistence fishermen and provide support through appropriate technology and research, adequate financial, production, and marketing assistance, and other services” (Section 7, Article XIII).

This bill seeks to establish a Fish port in Barangay Macuyon, Municipality of Sirawai in the Province of Zamboanga del Norte. Its construction in the said Barangay is feasible because of its rich marine resources and that most of those who reside there are smalltime fisherfolk who rely on fish and marine resources in the waters in and around the area for their livelihood and daily subsistence.

Further the said fish port is not only expected to provide a simplified and organized trading, it will as well facilitate the easy handling of fishery products right from its source down to the middlemen and to the consumers. Lastly, it will provide new economic opportunities for residents of Barangay Macuyon, Municipality of Sirawai.

In view of the foregoing, the approval of this Bill is earnestly sought.
