SIXTEENTH CONGRESS
First Regular Session

House Bill No. 4222

Introduced by Representative Maria Leonor Gerona-Robredo

EXPLANATORY NOTE

The Pili – Bula provincial road in the Municipality of Pili serves as a primary access point for people traveling from the Fifth District to the Third District of Camarines Sur. Upgrading and developing the said road will bolster industry, commerce, and business in the province by providing infrastructure to facilitate the transport of goods and services between districts. It will create numerous opportunities for employment and business in both districts and will contribute to the overall development of the province of Camarines Sur.

Given that the provincial road is needed to raise economic and social development in the Municipality of Pili and adjacent municipalities, it is advisable that the National Government take an active role in its maintenance and development.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
