House Bill No. **4267**

Introduced by HON. GIORGIDI B. AGGABAO

EXPLANATORY NOTE

This bill seeks to connect three (3) municipalities in two (2) provinces by converting the existing Pangal Sur-Villa Victoria-Malannit-Pungpongan-Addalam-Tupax-San Roque-Baranguag Provincial Road into a national road. The road links the fertile agricultural farmlands of the Municipality of Echague, the Municipality of Jones both in the Province of Isabela and the Municipality of Aglipay, Province of Quirino.

Once classified as a national road, it is certain that the road will be upgraded and immensely improved. This will, in turn, uplift the plight of our marginalized farmers, by enabling them to move their products efficiently and with the least cost, from one province to another. Furthermore, the public can be assured of a faster and safer commute along well-paved roads passing through barangays of Echague and Jones (in western Isabela) and the town of Aglipay, (province of Quirino). In sum, converting the above-described provincial road into a national road will positively impact on the livelihood of mostly farmers in the aforementioned towns of Echague, Jones and Aglipay.

Hence, approval of this bill is earnestly requested.
