SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 4322

Introduced by **HON. RONALD M. COSALAN**

EXPLANATORY NOTE

This bill seeks to convert the Benguet Provincial Road from the Abatan-Mankayan-Cervantes Road Junction to Sapid-Tabio-Balili Road up to the Mountain Province boundary into a Secondary National Road and to provide funds for its improvement, repair and maintenance.

The Province of Benguet, situated in the mountain ranges of Northern Luzon, is a land-locked area whose major trade routes are constantly being rendered impassable by landslides and other natural calamities. Since the economy of Benguet is highly dependent on its farm produce as well as its regular flock of local and foreign tourists, much is lost in terms of business when such routes are closed.

To remedy the situation, there is a need to convert the Benguet Provincial Road from Abatan-Mankayan-Cervantes Road Junction to Sapid-Tabio-Balili Road up to the Mountain Province boundary to a secondary national road. This conversion will provide a better and passable alternate route to Mountain Province.

Moreover, the passage of this proposed Bill will greatly benefit the people of Benguet, especially the hardworking farmers who ceaselessly toil to bring their produce to viable markets. Commerce, likewise, would continue to be productive even in the event that inclement weather and road damage render our primary trade routes impassable.

It is for these reasons that support for and prompt passage of this proposed bill is earnestly sought.
