

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 4323

Introduced by **HON. RONALD M. COSALAN**

EXPLANATORY NOTE

Land travel in the Province of Benguet is the primary mode of travel for its residents, visitors, entrepreneurs and most especially, its farmers. The province's agricultural produce, its lifeblood, is transported to and from the farmlands and major markets through the Halsema Highway, the only national road in the province. As is most often the case during inclement weather, damage to Halsema Highway not only causes traffic bottleneck and inconvenience to travelers; it likewise slows down the economic processes of the province by preventing the transportation of agricultural and commercial products from producer to markets.

Hence, the local government of Benguet has identified the Benguet Provincial Road as an alternative route to the Halsema Highway and a solution to the problems caused by the latter. Being of the same length, the Benguet Provincial Road is less mountainous, traversing Madaymen-Masala and exiting in Sagpat, Kibungan. Therefore, it is less prone to landslides and more convenient, if not more practical for travelers, businessmen and farmers to use.

This proposed Bill aims to convert the Benguet Provincial Road into a Secondary National Road and to provide funds for its improvement, repair and maintenance. The passage of this proposed Bill will greatly benefit the people of the province, especially the hardworking farmers who ceaselessly toil to bring their produce to viable markets. Commerce, likewise, would continue to be productive even in the event that inclement weather and road damages render the Halsema Highway impassable.

It is for these reasons that support for and prompt passage of this proposed bill is earnestly sought.
