

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

Sixteenth Congress
First Regular Session

HOUSE BILL NO. **4347**

Introduced by Honorable Gerald Anthony V. Gullas, Jr.

EXPLANATORY NOTE

This bill seeks to convert the Talisay District Hospital in Talisay City, Province of Cebu into a 250-bed capacity tertiary hospital which shall be placed under the supervision and control of the Department of Health.

Section 11 of Article XIII of the 1987 Constitution provides:

"Sec. 11. The State shall adopt an integrated and comprehensive approach to health development which shall endeavor to make essential goods, health and other social services available to all the people at affordable cost. There shall be priority for the needs of the underprivileged sick, elderly, disabled, women, and children. The State shall endeavor to provide free medical care to paupers."

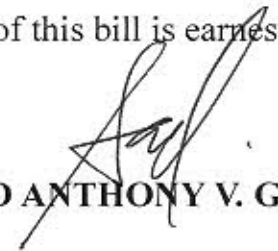

A 25-bed capacity Level I general hospital, the Talisay District Hospital (TDH) was established on August 26, 1994 by virtue of Republic Act No. 7799. Initially, the hospital was envisioned to provide health services to the twenty-two densely populated barangays of Talisay City, the neighboring municipalities of Minglanilla and Naga, which are part of the First District of the Province of Cebu, and the accessible barangays of Toledo City. However, patients from neighboring municipalities and provinces of Cebu, Negros and Bohol and from Luzon and Mindanao are also seeking medical attention in TDH.

The TDH is considered as the center of total wellness of the marginalized population of the community due to its accessibility. From 2005 to 2013 the number of in-patients has increased resulting to an average bed occupancy rate of 214.7%. The desired bed occupancy recommended by the World Health Organization for a hospital to maintain its efficiency and effectiveness is only 85%.

In consideration of the hospital's strategic location in Talisay City and being the favored destination of various sports enthusiasts, the hospital serves as the immediate health facility for trauma, vehicular accidents and the like. However, due to inadequate resources, such as human resource complements, and medical equipment and facilities, about 1,119 trauma cases in 2011 were referred to the Vicente Sotto Memorial Medical Center (VSMMC) in Cebu City. From January 1 – June 30, 2012, TDH referred 2,083 trauma cases to VSMMC.

Converting the Talisay District Hospital into a tertiary hospital with an increased bed capacity will provide better health services and will greatly benefit the people not only in Talisay City but also of the neighboring areas in the Visayas considering the additional number of patients the hospital can accommodate. The hospital will be more proactive and responsive to the thrust of the DOH's "*Kalusugan Pangkalahatan (KP)*" and thereby better address the health needs of the most marginalized sector of the community.

In view of the foregoing, approval of this bill is earnestly sought.

GERALD ANTHONY V. GULLAS, JR.

HOUSE BILL NO. **4347**

Introduced by Honorable Gerald Anthony V. Gullas, Jr.

AN ACT
CONVERTING THE TALISAY DISTRICT HOSPITAL IN TALISAY CITY, PROVINCE OF CEBU INTO A TERTIARY HOSPITAL UNDER THE ADMINISTRATIVE AND TECHNICAL SUPERVISION OF THE DEPARTMENT OF HEALTH AND APPROPRIATING FUNDS THEREFOR

Be it enacted by the Senate and the House of Representatives of the Philippines in Congress assembled:

1 SECTION 1. The Talisay District Hospital in Talisay City, Province
2 of Cebu is hereby converted into a tertiary hospital to be known as the
3 Talisay City Tertiary Hospital.

4 SEC. 2. The hospital shall have the capabilities of a tertiary hospital
5 increasing its bed capacity to two hundred fifty (250) beds and shall be
6 under the direct administrative and technical supervision of the Department
7 of Health.

1 SEC. 3. The amount necessary to carry out the provisions of this Act
2 shall be included in the annual General Appropriations Act of the year
3 following its enactment into law and thereafter.

4 SEC. 4. Within ninety (90) days from the approval of this Act, the
5 Secretary of Health shall promulgate the necessary rules and regulations for
6 the effective implementation of this Act.

7 SEC. 5. This Act shall take effect fifteen (15) days after its
8 publication in the Official Gazette or in a newspaper of general circulation.

9 Approved,
