

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
QUEZON CITY

SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. **4381**

Introduced by the Honorable Eufanio C. Eriguel, M.D.

EXPLANATORY NOTE

The Province of La Union, being situated between the West Philippine Sea to the left and the Cordillera mountain ranges to the right, is highly dependent on new and well-maintained roads that serve not only as trade routes but as passageways to the beautiful and scenic tourists spots the region has to offer.

This Bill seeks to convert the Anduyan-Rizal-San Pascual-Asin Road from a Provincial Road to a National Secondary Road and to provide funds for its improvement, repair and maintenance.

The conversion of this Road would hasten access of motorists from Tubao, La Union to Baguio City and Benguet, and vice versa, providing for a newer and more scenic alternative to Marcos Highway and the older Kennon Road. Moreover, this Road leads to the famous Asin Hot Springs and hence would boost the tourism in Asin, inviting more and more tourists not only from La Union and Benguet but from outside the region.

The passage of this Bill is of urgent concern primarily because the portion of the Road situated in the Province of Benguet was already converted into a Secondary National Road by virtue of Republic Act No. 10406, approved in March 19, 2013. The development that the said Republic Act entails in the Benguet part of the Road will prove futile should the La Union portion be not given the same consideration.

In view of the foregoing, the passage of this Bill is earnestly sought.

EUFANIO C. ERIGUEL, M.D.
