

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL No. 4410

Introduced by HONORABLE SCOTT DAVIES S. LANETE, M.D.

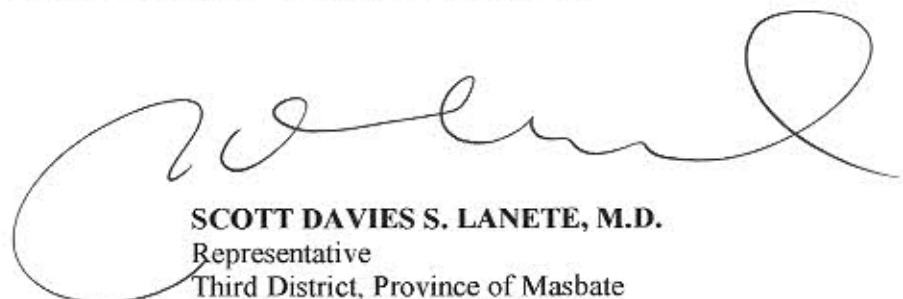

EXPLANATORY NOTE

As stated in the 1987 Philippine Constitution, it is the leading duty of the State to protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all. It is also its solemn mandate to establish, maintain, and support a complete, adequate, and integrated system of education relevant to the needs of the people and society.

Education is the primary conduit of knowledge. It is an established fact that most of the country's education greatly depend on public schools due to heavy financial burdens private schools impose. It is a sad reality that most people are denied education because of the lack of accessibility to public schools which offer broad educational programs. One of these is the Dr. Emilio B. Espinosa, Sr. Memorial State College of Agriculture and Technology Learning Site in the Municipality of Cawayan. The Learning Site caters to those living in the municipalities included in the Third Congressional District of the Province of Masbate, specifically Cawayan, Placer, Pio V. Corpus, Esperanza, Dimasalang, Palanas, and part of Uson. However, it only offers TESDA courses and two-year non-degree programs. Thus, people in these areas have limited choices when it comes to the educational courses they want to pursue.

As a solution to this predicament, it is essential that the State take a proactive step by establishing a program that would directly accord these people immediate access to affordable and quality education. Only through such solution will the State accord the people their right to education. The number of people that will experience quality and satisfactory education will inevitably transform them into gems that will expedite the country's development.

In view of the foregoing, the approval of this bill is earnestly requested.
