HOUSE BILL NO. 4771

Introduced by Representative Alfredo D. Vargas III

EXPLANATORY NOTE

Sections 13 and 17 of Article II of the Constitution highlight the significance of the youth in nation-building. The State likewise emphasizes the importance of education towards national growth and development. Furthermore, Section 1, Article XIV of the fundamental law provides that *"the State shall protect and promote the right of all citizens to qualify education at all levels and shall take appropriate steps to make such education accessible to all."* As such, it is our constitutional duty to do whatever it takes to provide our people with the quality education that they deserve.

There is a clamor for the creation of a national high school in West Fairview, Barangay Greater Fairview in the Fifth Legislative District of Quezon City, to be known as West Fairview National High School. In order to achieve the desired teacher-student ratio and to address the classroom shortage in our schools in the District, especially in Barangay Greater Fairview, the passage of this bill is earnestly sought.
