HOUSE BILL NO. **4784**

Introduced by HONORABLE ABRAHAM "BAMBOL" N. TOLENTINO

EXPLANATORY NOTE

This bill seeks to convert the existing Land Transportation Office (LTO) Extension Office located in the City of Tagaytay, Cavite, into a regular LTO District Office.

The LTO Extension Office in Tagaytay City has been in existence for several decades already. It has serviced the people of Tagaytay and the neighboring municipalities since 1963, with interruption, and re-opened in 1985 with full operation as extension office.

Available records and statistics show that the extension office had generated the following revenues for the past fiscal years, accommodated the registration of increasing number of vehicles, and processed increasing volume of license applications and issuances. To wit:

I. Revenue Collection from MV Registration, Driver's Licensing and Law Enforcement, CY 2011-2013

CY	Revenue Collection from Driver's License	Revenue Collection from MV Registration	Revenue Collection From Law Enforcement
2013	22,300,830.00	82,920,210.41	4,191,975.00
2012	18,906,770.00	81,676,293.25	3,876,825.00
2011	18,280,360.00	75,465,454.05	3,985,255.00

II. Number of Motor Vehicle (MV) Inspected, Registered, and Registration Cases Handled for CY 2011-2013

CY	MV Inspected	MV Registered	Registration Cases
2013	54,942	50,475	61,630
2012	54,662	49,881	62,366
2011	46,995	44,155	53,615

III. Number of Applicants Examined, Licenses Issued, and License Transactions Handled for CY 2011-2013

CY	Applicants Examined	Licenses Issued	Licensing Transactions
2013	20,420	49,910	78,773
2012	16,627	41,627	65,641
2011	15,883	40,507	62,509

Clearly, there has been a steady increase of services accorded by the LTO Extension Office to the public.

Cognizant of the growing need for better and improved registration and licensing capabilities, and in furtherance of the government's commitment to responsible, genuine and prompt services offered to the public, this bill aims to convert the extension office into a regular district office. The envisioned district office shall provide adequate manpower for frontline services with sufficient equipment, devices, and cost-efficient system for registration and licensing demands.

The City of Tagaytay in the Province of Cavite is fast becoming a prime location for business, commercial, banking, and tourism industries. The city has developed into a vibrant and thriving community with diverse tourism businesses, banking institutions, and commercial establishments. The robust local economy of the city makes Tagaytay City an ideal and strategic location for a regular LTO district office.

In view of the foregoing, the passage of this bill is earnestly sought.
