The establishment of an elementary school in the Second District of Paranaque by converting the present extension school into an autonomous national elementary school responds well to the growing student population of the community.

It will promote the development of a mass-oriented quality high school education for which our people properly deserves. It will also enhance the capability of the mother unit, Fourth State Elementary School located in Barangay San Antonio, Paranaque City, to provide quality high school education to its service area.

More so, it is the policy of the State to give priority to education, science and technology, arts, culture, and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development.

Likewise, the State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all

Hence, immediate passage of this legislation is urgently sought.
