SIXTEENTH (16th) CONGRESS
Second Regular Session

HOUSE BILL NO. 5071

Introduced by REP. JOSE CHRISTOPHER Y. BELMONTE

EXPLANATORY NOTE

The 1987 Constitution mandates the State to "protect and promote the right of all citizens to quality education" and to "establish and maintain a system of free public education in the elementary and high school levels" (Article XIV Sec. 1 and 2 Para 2).

It is in the spirit of these constitutional provisions that Republic Act 10533, or the Enhanced Basic Education Act of 2013 that implements the K-12 program was established. The K to 12 Program covers Kindergarten and 12 years of basic education – six years of primary education, four years of Junior High School, and two years of Senior High School (SHS). It aims to provide sufficient time for mastery of concepts and skills, develop lifelong learners, and prepare graduates for tertiary education, middle-level skills development, employment, and entrepreneurship.

In Senior High School, students may choose a specialization based on aptitude, interests, and school capacity. The choice of career track will define the content of the subjects a student will take in Grades 11 and 12. SHS subjects fall under either the Core Curriculum – which includes seven (7) learning areas such as Languages, Literature, Communication, Mathematics, Philosophy, Natural Science, and Social Sciences – or, specific Tracks – Academic, Technical-Vocational-Livelihood, and Sports and Arts.

At present, there are only five (5) public high schools and twelve (12) public elementary schools in District 6, Quezon City. The scheduled implementation of the Senior High School in SY 2016-2017 is a challenge that needs to be addressed considering the existing public secondary schools in the District are already overcrowded.

This bill aims to prepare the District for the full implementation of the K to 12 Program in 2016 by establishing a standalone senior high school in Barangay Tandang Sora, District 6, Quezon City that will absorb the junior high school graduates of several high schools surrounding the area.

In view of the foregoing, the passage of this bill is earnestly sought.
