HOUSE BILL NO. 5081

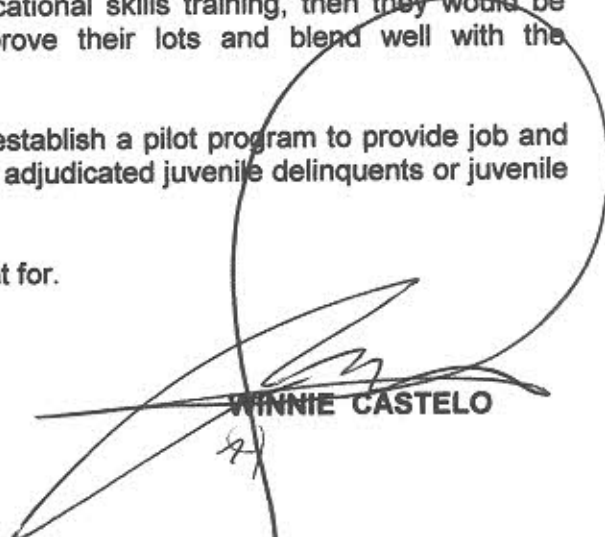

Introduced by Rep. Winston "Winnie" Castelo

EXPLANATORY NOTE

Youth who have been adjudicated juvenile delinquents or juvenile offenders find it difficult to secure jobs on account of the stigma they carry. Our moral society seems to attach a certain letter-label to them that pejoratively characterizes them. But they do not have to work under such critical and nit-picking circumstance. If the government undertakes to round them up and exclusively provides them with job and vocational skills training, then they would be empowered and have the opportunity to improve their lots and blend well with the mainstream society.

Hence, it behooves the national government to establish a pilot program to provide job and vocational skills training to youth who have been adjudicated juvenile delinquents or juvenile offenders.

The immediate passage of this measure is sought for.
