

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

SIXTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 5229

Introduced by Hon. Victor J. Yu

EXPLANATORY NOTE

The issuance of then President Corazon C. Aquino of Executive Order 429 designating Pagadian City as the Regional Center for the Zamboanga Peninsula Region is indeed a big help to the economic development of Pagadian City including its neighboring Local Government Units (LGUs) in the 1st Legislative District of the Province of Zamboanga del Sur.

To date, the City of Pagadian enjoys the distinction of having the most numbers of shopping centers/malls in the entire Region IX. Thus, Pagadian City is now frequented not only by shoppers from nearby areas but including businessmen and suppliers eager to do business in this bustling capital.

With this growth however, comes also the problem on traffic congestions. However, in order to sustain this development, there is a necessity to develop more road networks connecting Pagadian City to other Local Government Units (LGUs) so as to spur development not only in Pagadian City but also in other areas.

Anyway, investing in road infrastructures such as road networks will provide good, dependable transportation that will allow businesses to receive inputs to production facilities and to transport finished goods to market in an efficient manner. It also allows companies to lower transportation costs, which lowers production costs and enhances productivity and profits therefore contributing economic benefits to national productivity and employment.

Therefore, this Representation is proposing for the Conversion of the road stretching from Brgy. Tawagan Norte, Labangan, Zamboanga del Sur passing through the Municipality of Midsalip to Brgy. Datagan, Bayog, Zamboanga del Sur into a national road, to be known as the Labangan – Bayog National Highway.

Immediate approval of this bill is earnestly sought.
