HOUSE BILL NO. 5441

Introduced by: HON. BENHUR L. SALIMBANGON

EXPLANATORY NOTE

This bill seeks for the conversion of the provincial roads from barangay Poblacion to barangays Luy-a, Lamintak Norte, Lamintak Sur, and Dayhagon in the Municipality of Medellin, 4th District of Cebu into national roads. These roads have long been very dilapidated that works for the detriment of our motorists and pedestrians that pass through them.

The Municipality of Medellin is the projected location for the establishment of an economic zone in the district and an alternate international airport for Mactan Cebu International Airport. Very soon, it will be the venue of some flying schools with the transfer of the Philippine State College of Aeronautics (PHILSCA) Lapu-Lapu City, Cebu Campus in Medellin this year. The municipality at this point in time is also becoming a tourist destination in the district.

In preparation of these developments, infrastructure needs must be in place. However, the resources of the provincial government is so limited that it cannot undertake the repair of these roads with dispatch. Conversion of these provincial roads into national roads will essentially open the way for these roads to be repaired, concreted and well-maintained.

In view of the foregoing premises, the immediate enactment and approval of this bill is highly recommended.
