FOURTEENTH CONGRESS
Second Regular Session

HOUSE BILL No. 5858

Introduced by: REPRESENTATIVE MANUEL M. IWAY

EXPLANATORY NOTE

This bill seeks to convert the Hilaitan-Mani-ak – Trinidad Provincial Road of the City of Guihulngan in the Province of Negros Oriental into a national road.

This provincial road network, which connects the road of Negros Oriental and Negros Occidental through Barangay Macagahay, Alingasaw and Guinpa-an of the Municipality of Moises Padilla, is essential to the growth and development not only of the said local government unit of Guihulngan but also to the entire Negros Province – Oriental and Occidental. However, due to some urgent needs which require immediate funding as they will hamper the delivery of basic services to our people, the maintenance and improvement of this vital infrastructure project had not been given top priority, probably due as well to the lack of funds on the part of the Provincial Government. This situation therefore calls for the turn-over of this road to the national government by way of converting it into a national road for the great benefit of the traveling public.

In view of the foregoing reasons, the approval of this bill is earnestly sought.
