

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City

Sixteenth Congress
Second Regular Session

HOUSE BILL NO. 5863

Introduced by Representative Neptali M. Gonzales II

EXPLANATORY NOTE

The State is mandated to provide quality basic education to its constituents. Moreover, the Constitution mandates that the State should "establish, maintain, and support a complete, adequate, and integrated system of education relevant to the needs of the people and society." (Article XIV, Sec. 2, Par. 1, Constitution of the Republic of the Philippines)

Consistent with this, and pursuant to the intent of the Department of Education as contained in DECS Order No. 91, Series of 1999, there is hereby created in the City of Mandaluyong an integrated school known as the Hulo Integrated School. The facilities of and for the said school shall be located in Barangay Hulo, City of Mandaluyong.

The creation of the Hulo Integrated School is geared toward addressing the need for additional secondary schools in the City of Mandaluyong as the national K to 12 program goes into full swing. Catering to graduates of the Hulo Elementary School and to other elementary school graduates from Barangay Barangka Ibaba, primarily, the HIS will have a full complement high school, i.e. from Junior to Senior High School levels. It will thus absorb Senior High School students coming from the Bonifacio Javier National High School which, because of the lack of space would not be able to accommodate senior high school students. By so doing, the youth of Mandaluyong City will be fully served by the State as it seeks to fulfill its mandate of providing access to basic education.

In the light of the foregoing, immediate approval of this bill is earnestly sought.
